

Joy [Lyrics]

[Default] by Robby Browne

INTRO

VERSE

There is a melody sung in glory
And now the earth will sing it too
The song of heaven tells the story
Of what our God said He would do

PRE CHORUS 1

Every prophet and promise
Points to this moment
When the people of God receive their king

CHORUS

Joy! Joy! Joy!
All of life join the song
Lift your voice
Joy! Joy! Joy!
Make some room in your heart
To welcome this baby boy
