

Wake Up to the Wonder [Lyrics]

[Default] by Robby Browne

INTRO

VERSE

Do you hear it? The sound of Heaven's angels
Singing "Glory to the Newborn King"
And the mother, a song of praise she sings
Do you hear it? Do you hear it?

HOOK

(it's wonderful, so wonderful)

VERSE

Do you feel it? The earth receives her king
Nature joyful, full of hope and peace
And the people, they long for something more
Do you feel it? Do you feel it?

HOOK

(it's wonderful, so wonderful)

PC

And oh it's time to shake the cloud of dust
We've been sleeping under
Oh no don't forget the things of old
It's time to wake

HOOK

Wake up to the wonder
(it's wonderful, so wonderful)
